President
Fédération Française Baseball & Softball

Pully, 30 October 2024

Dear National Federation, dear friends,

As the year draws to a close, we have now completed the 2024 Baseball and Softball World Cups. In November, we look forward to the final major event of the year, the WBSC Premier12 2024, set to take place in Mexico, Taiwan, and Japan.

I wanted to take a moment to celebrate these events and all the hard work that national federations put in with their national teams to showcase our sport. In particular, I would like to extend my congratulations to your federation for conquering a bronze medal at the Baseball5 World Cup 2024.

I am incredibly proud of our movement and of how it has thrived after the challenges of the pandemic. I wish you all the very best and hope you continue on a path of great sporting successes.

Warm regards to you all,
